This is the last week of school before we enter the Winter Break Holiday. The YCS Administration and Staff wish everyone a SAFE and restful holiday break. Please visit our website at www.ycschools.us to find our administration building hours.

If you need any assistance during the break, please reach out to your building administrator or the administration office so that we may help you find resources. We understand that this holiday season will be different from years past due to the pandemic, but we are here to help!

Holiday Winter Break

Winter Break starts **Monday, December 21st through Friday, January 1st** returning to school **remotely** on **Monday, January 4th**. Please remember there will be no in-person classes tentatively scheduled until Tuesday, January 19, 2021. More communications will be forthcoming in regards to in-person learning.

Virtual Learning Labs

Ypsilanti Community Schools has partnered with several organizations in the Washtenaw County area to bring Virtual Learning Labs for students to utilize while learning remotely. Some of these labs are in-person with strict safety precautions, and some are virtual. Please see the comprehensive list of labs that can assist your student during this time.

YCS Social Workers Here to Help

The last eight months have been tough on everyone, and YCS understands our community may need assistance during this tough time. If you or your family needs assistance, please reach out to your school principal or social worker. Whether the need is immediate financial help, food insecurity, or social-emotional help, there are resources available within our community to assist.
